

## ORDERING A PLAQUE

Please write your dedication in the box below ensuring that it is written clearly to avoid any errors. The actual size of the plaque is overleaf. Once we have received your order, the plaque should be ready within 21 days at which point we will write to inform you that your plaque has been added to our board and is ready for you to view. Please also fill in your contact details below. We regret at this time that we can only accept payment by **cash or cheque** made payable to Society for Abandoned Animals. Please send payment and order form to the address below or drop them in to the sanctuary.

# Pet remembrance TAGS

**Each tag will be a minimum donation of £12 or two for £20.**

What a lovely way to remember your pets. Why not order a tag and we will hang them on our tree trunks and have them on view in our lovely memorial garden.

The money raised will go towards the tag or plaque and the care of the animals. You are also invited to visit the garden for moments of reflection at any time during opening hours. You will receive a certificate and a regular newsletter update.

EXACT Size

# Pet remembrance PLAQUES

**£50/** brass  
plaque

This is the **exact size** of the plaque which will be engraved on solid brass and added to our remembrance board in the peaceful surroundings of our memorial garden.

You can purchase a plaque, engraved with words of your choice to remember a special pet. The plaque (which measures 12.5cm x 7.5cm) will be placed on our remembrance board as a permanent memorial.

The garden, which we dedicate to the memory of the Society's founder, Peggy Henderson, is open for you to come and quietly reflect during sanctuary opening times, throughout the year. All funds raised from our memorial garden will go towards taking care of our cats, dogs and rabbits, ensuring that they receive all the necessary attention and loving care they need until we can find them new, forever homes.

To give you some idea of how much a £50 donation (and an accumulation of £50 donations) can help us see below:

- ★ £52 pays for a rabbit to be spayed
- ★ £100 pays for 34 microchips for our animals
- ★ £250 pays for one member of Animal Care staff for one week
- ★ £500 pays for three months supply of cat litter and kitten food
- ★ £2,500 pays for an average monthly vet bill for cats, rabbits and dogs
- ★ £5,000 pays for our vehicle running costs for the year
- ★ £7,000 pays for our energy costs for the year

To pay a lasting tribute to a special pet and help fund the work of an exceptionally worthwhile cause — please fill in the order form overleaf.

## REMEMBERANCE DAY

If you would like to lay the ashes of a loved pet in our memorial garden then please contact us and book a date and time and we will arrange a memorial where you can come and scatter the ashes and plant a flower above them so you can have peace in mind that they will always be here to visit.

You may do this with or without ordering a plaque or a tag but for a small donation for **£5**.

Flowers will have to be purchased by yourselves and evergreen ones are best. We will make it a special day for you.
